Professional
Goal is to
Learn, Share
and Deliver

30 Years IT

22 .Net years.
10 years as a Sr. Dev
5 years as Lead Dev

2009-Went to
Auckland, New
Zealand to share
knowledge

Lives in
Bacoor City,
Philippines

PERSONAL

On Sundays, I dedicate my time to God and family. I also love playing the guitar, singing my lungs out, and have even composed a few songs.

Short Bio

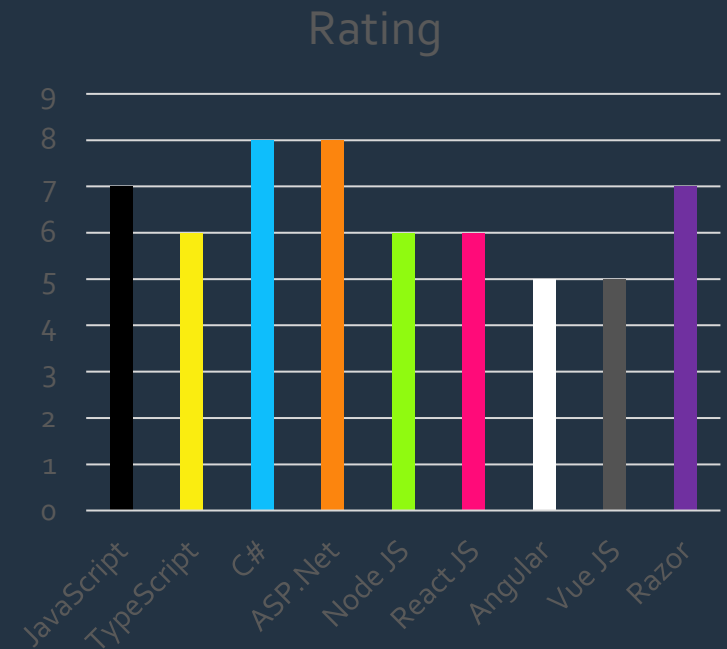

I began my journey as a Dbase 3+ developer in 1994. In 2002, I received training in .Net from Microsoft-certified professionals, and by 2005, I was leading teams.

I have a passion for simplifying applications by implementing proper documentation, testing, and automation.
